Video PREMIUM HD

The Ultimate HD Video Editing Solution

What's the missing element between ordinary and extraordinary home videos?

Nero Video Premium HD. Bring your creativity to life with advanced video editing and playback tools that will take your home video project from modest start to incredible finish.

Premium Extras:

- Blu-ray Disc Playback
- Bonus HD creative effects

Easiest Media Management and Slideshow Creator

Nero MediaHub is the dynamic application that truly gives you the flexibility to control your multimedia the way you want. The easy-to-use interface features an all-in-one media manager for quickly sorting and searching videos, photos and music, organizing music playlists, plus Blu-ray Disc play back and sharing all types of media files. The integrated slideshow creator helps you make high quality movies and slideshows with just one click and add Movie Themes.

Cutting-edge Video Editing

Designed for creative enthusiasts, Nero Vision takes you one step further to edit your video projects with special effects like a pro and author in High Definition. Cutting-edge features such as true multi-track editing, advanced Picture-in-Picture generator and video effects with full keyframe control, SmartEncoding, and Blu-ray Disc authoring will bring your ideas to life in HD.

Nero Creative CollectionPack Bonus

- **Picture-in-Picture Effects Generator** - Easily create multiple overlays with more than 65 professional Picture in Picture (PiP) layouts. Includes 30 bonus background images for extra fun!
- **Transition Effects** - 50 unique professional transition effects to enrich your video projects with noticeable creative results
- **Movie ThemePacks** - Features 25 additional high quality themes with related menu templates, transitions, backgrounds and music tracks.
